

ADDITIONAL UNITED STATES CONGRESSIONAL REPRESENTATIVES

Below follows a listing of additional identified Dutch American Representatives who served in the United States Congress. It is interesting to note that the vast majority, well over 50 percent, are representatives from New York State.

Provided for each individual is their name, birth year, year of death, State represented, Congress[es] served in, college or university graduated from, if any, and attorney identification when appropriate. Special or unique national government service has also been provided.

For more details on each individual, the reader is referred to the Congressional Representative's respective biographical profile on the official web site of the [U.S. Congress](#).
